

Online Student Registration 2019-2020

The Perry County School District will implement its new, online student registration for the upcoming school year. This process will require all parents to complete their child's school registration electronically via computer, tablet or smartphone. Parents will be given an access code to initiate this process. If you do not have one, you may contact your child's school to get your access code. The online registration window will open on July 1st through July 24th. If you do not have access to a computer, tablet or smartphone, computers will be available at each school campus on July 23rd and July 24th. We appreciate your patience as we implement this new system. If you have any questions concerning the process, please contact any school office.
