Take Me Out To The Ballgame!!

WILL EVERYTHING RETURN BACK TO NORMAL?

By: Marilyn Johnson

The students of South Perry Elementary and Runnelstown Elementary, which is home to our district's K-5 students, will be returning back to school full time. The school board voted to bring the students back full-time starting March 22, 2021. We do not know at the moment if all the schools will return back but, there will be a school board meeting about it on March 8th.

Governor Tate Reeves also lifted mandatory mask laws that required Mississippians to wear face coverings when in public settings. However, masks are still required in all public schools.
